

What to Expect From WinderKids...

We are so thankful for you. Children and families are a treasured part of the Winder First Family and it is our goal to continually serve, protect, teach, love, and laugh with your children. WinderKids a healthy, safe, and fun place where children learn about Jesus through the Bible, music, crafts, and activities that are developmentally appropriate at each stage.

As families arrive, you will notice a check-in process...

- ***Each family is asked to register each child (babies to 5th grade) before arriving or upon arrival on Sunday morning. This ensures children will be in the correct space and be rejoined with their family after services.***
- Families, once checked in, will receive security stickers. Each child's sticker has a code that matches each adult sticker. Adults, please hold on to your sticker. It should be presented at pick-up to ensure everyone goes home with their family.
- WinderKids, Wellness policy will be strictly enforced.
- Only parent/guardians or siblings over 15 years of age will be allowed to pick-up children, but they must present the security sticker.
- There will be a one-way traffic flow on the children's floor; so, please enter the children's area at the Narthex side of the church and exit through the Vestibule side.
- Volunteers will be waiting to check children in and help to direct guest to the Children's Welcome Desk for check-in.
- Volunteers will be helping families find their child's class based on age/ developmental level.
- Hand Sanitizer will be placed at several locations in the children's area for leaders, volunteers, parents, and children.
