

## What to Expect From WinderKids...

We are so thankful for you. Children and families are a treasured part of the Winder First Family and it is our goal to continue to serve, protect, teach, love, and laugh with your children. We have missed being face to face! WinderKids will continue to be a healthy, safe, and fun place with a few extra steps to create the best environment possible during this season.

### As families arrive, you will notice a redesigned check-in process...

- ***Each family is asked to register each child (babies to 5th grade) before arriving on Sunday morning to help the children's ministry prepare with adequate adult to child ratios and space usage. <https://winderkids-3-and-under-childcare-registration-winderkids.pushpayevents.com/>***
- WinderKids, Wellness policy will be strictly enforced.
- Only one parent/guardian will be allowed into the children's area for drop-off and pick-up.
- There will be a one-way traffic flow on the children's floor; so, please enter the children's area at the Narthex side of the church and exit through the Vestibule side.
- Volunteers will be waiting to check temperatures, check children in, and direct you to the Children's Welcome Desk for Preschoolers and to Celebration Station for 1st-5th graders.
- Volunteers will be taking preschool children from the welcome desk to their classes.
- Hand Sanitizer will be placed at several locations in the children's area for leaders, volunteers, parents, and children.
- Hoping to see lots of waves and fist bumps happening as everyone says hello!

**\*Grade promotion will take place on August 2nd. Children will be checking-in to their new age/grade level for the 2020-2021 year\***
